Paintball Village Season Field Pass: \$75 (Regularly \$90) **SAVE \$15**

Batting Season Pass Details:

- **Batting Range Pass is valid typically March- October.** Weather may impact certain days available, particularly in March, April, September, and October. Batting Range is open only on weekends during certain times in the four months previously mentioned. Hours may vary, check [HERE](#) or call 440.235.4420 for updated hours
- Swings-N-Things reserves the right to alter dates, times, and conditions of Season Pass without notice. Swings-N-Things will occasionally close the park for a large corporate outing. This typically will happen 1 – 3 times per year. In most cases, the park will open to the public at 5:00 pm on these days. Our website will always list these changes.
- Swings-N-Things is committed to the highest degree of equipment maintenance, but as with all things mechanical, equipment does breakdown at times. It is very rare when the entire Batting Range is closed for repairs, but if/when that occurs, there is no substitution of attractions. Occasionally a particular pitching machine may be closed for repairs, but since our baseball machines are set in 5 mph increments and with 5 Slow Pitch Softball Machines, there are normally a variety of pitching machines always available.
- The Batting Range at Swings-N-Things can operate through most inclement weather, but it is our policy to temporarily close an attraction(s) when conditions (i.e. lightening) threaten our guests and team members. There is NO substitution of attractions when this occurs. It should be noted that we close the 70, 75 & 80 mph pitching machines when it is raining or the concrete “field area” is wet.
- Acts of God (i.e. floods, lightening, tornados, etc.) and circumstances beyond Swings-N-Things control (power outage, disruption of water, natural gas leak, etc.) are not reasons for substitution of attractions.
- Bearer of this pass accepts all inherent risks associated with attractions. Failure to observe rules and regulations can result in forfeiture of all rights associated with Season Pass.
- Swings-N-Things reserves the right to revoke a Season Pass without recourse or refund for any reason, including, but not limited to the following:
 - Violation of Park Rules and/or Safety Regulations (see Batting Range Safety Rules below)
 - Assisting another person in obtaining unauthorized entry into the park. Any violation of local, state or federal laws on Swings-N-Things premises.
 - Any conduct deemed by Swings-N-Things management to interfere with other guests’ enjoyment of the park. Including loitering at the park.

- This pass should NOT be construed as a “babysitting” service. Swings-N-Things cannot accept responsibility for children “dropped-off” by parents and/or guardians.
- Season Passes may not be sold by any third party under any circumstance
 - Season Pass may only be used by Season Pass Holder noted on card & application. Season Pass will be automatically revoked if anyone other than the Pass Holder attempts to use it. Charges will be filed against the Pass Holder and the person fraudulently attempting to use the pass.
- There is a \$10.00 fee for lost or stolen Season Passes. The Season Pass is non-refundable, and non-transferable.
- Season Pass may NOT be used as admission to any Group Outing or Birthday Party.
- No food or drink items may be brought on Swings-N-Things property.
- Batting Range Season Pass Holders should be aware of the Safety Rules of the Batting Range before using the cages. There are signs located outside the batting window and by Cage #5: Please note that shoes must be worn, no flip flops or sandals.
- Your personal information will never be sold or shared with a third party.
- To receive your UNLIMITED BATTING WRISTBAND, simply show your Season Pass at the BATTING RANGE Window. A Swings-N-Things Team member must affix wristband to be valid. Wristband is invalid once it has been removed, cut or torn.
- Batting Range Attendant will “activate” the pitching machine of the batter’s choice, for up to two rounds of batting per turn (26 pitches) if another guest is waiting to use the same stall . Each round includes 13 pitches.
- Batting Range Season Pass Holders may take as many rounds of batting as they wish throughout Swings-N-Things normal business hours of operation.
