

Thanks for considering Swings-N-Things Fun Park for your future employment. Perhaps you're applying because you have visited us with friends or family and you enjoyed yourself. We've entertained several generations of guests over the 38 years that we've been on the corner of Bagley & Stearns. Maybe one or both of your parents worked at SNT when they were in high school or college. We're family-owned and operated and are committed to treating all our team members with respect and dignity.

We think SNT is a great place to work – we certainly try to make it a FUN place for our guests AND our team members. We sell Fun so it's important that our team members are having fun as well. If you join us, you'll be working with fellow high school and college students. In addition to flexible work schedules, you'll enjoy many other perks such as the opportunity to join a Mini Bowling League, enjoy after-hours tournaments and special events such as a Team Member Trivia Contest. You'll enjoy a complimentary All-Day Pass each week for you and a friend. You'll also receive discounts on food and beverages while being a SNT Team Member.

Perhaps one of the most important benefits will come years from now when you apply for a local career job. Just as being an alumni from certain highly respected high schools & colleges, being a SNT Alumni will be something that will typically separate you from other applicants. Local employers know that if you are an alumni of SNT, you've got great people skills, a solid work ethic and understand the importance and value of working as part of a team.

We look forward to you potentially joining us. If the above info sounds like the type of position you might enjoy, complete and return the attached SNT application.

Respectfully,

Tim Sorge
